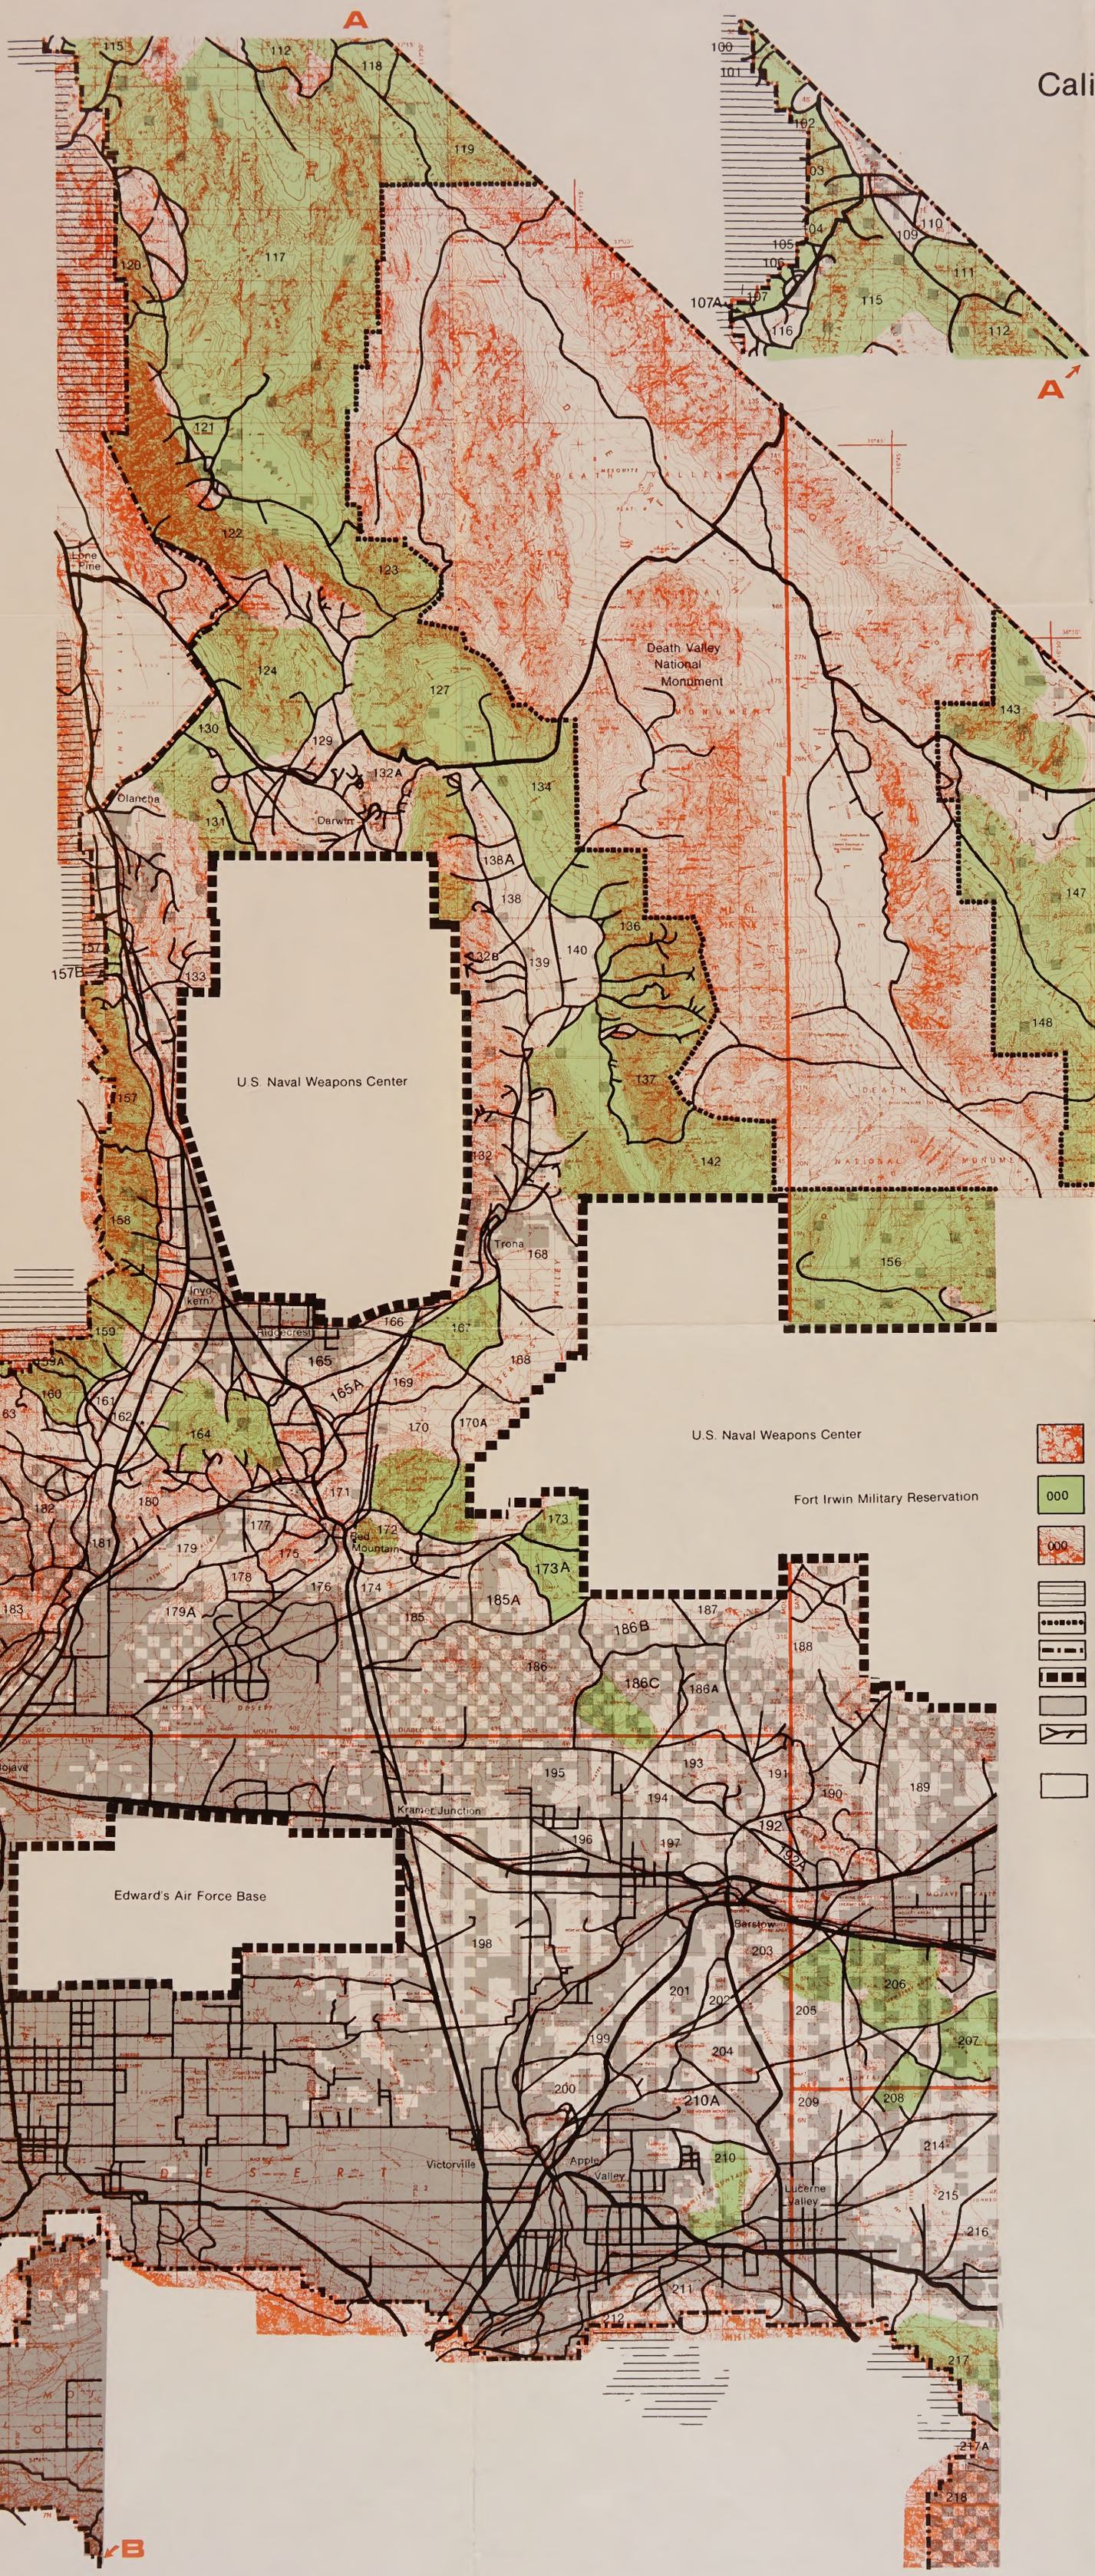
California Desert Wilderness Inventory

DRAFT

North Half



Legend

- = "roadless" areas determined to not contain 5000 acres of contiguous Public Land.
- 000 = "roadless" areas with 5,000 acres of contiguous Public Land determined to contain wilderness values according to 2(c) Criteria of the Wilderness Act of 1964.
- 000 = reference number for "roadless" areas containing 5,000 or more acres of public lands.
- = United States Forest Service RARE II roadless areas.
- = National Monuments and State Parks.
- = Calif. Desert Conservation Area Boundary.
- = Other Federal Lands
- = Private Land not under BLM jurisdiction, as of May, 1977.
- = Roads as defined in the Bureau's Wilderness Review Procedures.
- = Denotes size equal to 5,000 acres.

NOTE: The information contained on this map was compiled from existing knowledge, public input, and field inventory checks. Additional public input and field inventories will continue until publication of The Wilderness Inventory Map in February 1979.
